Beyond our amenities, you'll find that when you're at Blu Bear, you're family. We believe it's our responsibility to make sure you feel comfortable and inspired when you're creating here.

Studios

Studio A

Kitchen Set | Our fully functional filming kitchen is equipped with a double oven, induction cooktop, and a completely customizable backwall ready to film your next YouTube recipe series.

50's Diner | Take a step back in time with this classic diner set. The authentic booth and chairs set the mood for a wide range of film scenes, glamour shots, or your next style cover.

Rental Rates Start @ \$75/HR

Studios

Studio B

The Flex studio is a raw 20'W x 30'D x 14'H space where we build everything from podcast sets to bedrooms and med spas. Our pre-built stage flats and inventory of decor options make building your next set quick and easy. Most sets can be built with a few days notice. Check out more features and amenities of The Flex below and in our full studio guide.

Rental Rates Start @ \$75/HR

Turnkey Podcast Sets Start @ \$50/Rental Period

Custom Set Builds Start @ \$750

Podcast Mics & Mixer Start @ \$100/Rental Period

Studios

Studio C

If versatility was a room. This 30x40 space is lined with 180-degrees of infinity wall space to allow for virtually any production you can dream up. From classic studio photography to exploring mars, the Cyclorama molds to your needs.

Extended Reality | Augmented Reality | Studio Photography | Full Set Builds | Corporate Keynotes + Messaging | Live Broadcasting | Music Videos | Events | and more.
